COVID-19 UPDATE

The Alberta Government has issued a State of Emergency...

Over the last few months, the Calgary Motorcycle Toy Run team has been TIRELESSLY working to ensure the Toy Run is a safe, fun, entertaining, and fulfilling event. Sleepless nights and long days were shaping up to this year's run being the biggest in history! The anticipation was unbearable.

Now the Alberta government has issued a state of emergency and requires events like ours to adhere to more stringent rules due to the global pandemic which in four days, we will not be able to accommodate.

As such it is with a heavy heart that we are forced to cancel the 2021 Calgary Motorcycle Toy Run. Our hearts are bleeding, and our bikes are sad.

We will be in contact with all those that pre-registered as well as our many sponsors and volunteers. We thank you for your support and pray there is an end to this soon.

Sincerely,

The Toy Run Committee
